Rochester, MI – (1/21/2019) – The Formula 5000 Drivers Association is pleased to announce its racing schedule for 2019. The Association has announced four official races for 2019.

The 2019 U.S. Formula 5000 Revival Races will take place at the following venues:

- **May 3-5: Trans-Am SpeedFest with SVRA at WeatherTech Raceway at Laguna Seca**
- **July 18-21: Road America – The WeatherTech International Challenge with Brian Redman presented by Hawk**
- **August 1-4: Brickyard Vintage Racing Invitational with SVRA at Indianapolis Motor Speedway**
- **September 5-8: U.S. Vintage Grand Prix with SVRA at Watkins Glen**

According to Seb Coppola, president of the Formula 5000 Drivers Association: “I am thrilled to be able to announce a season of racing events at four of North America’s best race tracks.”

He added: “The WeatherTech Raceway at Laguna Seca with its corkscrew and counter-clockwise flow design is an iconic and thrilling race track where Formula 5000 competed in the 1960s and 1970s. Road America offers four miles of straights, turns, carousel, kink and elevation changes to make this circuit the perfect track for a Formula 5000 car. This mid-July event is a classic vintage racing event with a fun race car excursion to the nearby Village of Elkhart Lake. The Indianapolis Motor Speedway and Watkins Glen are two of the most iconic raceways in North America if not in the world. They are fun tracks to race with deep history.”

The U.S. Formula 5000 Drivers Association is a membership car club established to promote the restoration, presentation, registration and racing of historic Formula 5000 race cars. The Association organizes vintage racing events and other activities for Formula 5000 cars (www.F5000Registry.com).
